Dear Mr. McKenzie:

**Re: Milton Hydro Distribution Inc. (Milton Hydro)
Application for Rates
OEB File Number EB-2017-0061**

The OEB received a letter from Milton Hydro on January 23, 2018 with a request to withdraw the proposed new standby charges from its 2018 IRM application.

The OEB also received a correspondence from the School Energy Coalition (SEC) on January 23, 2018 indicating that if the OEB accepts Milton Hydro's request to withdraw its proposed standby rate, SEC would withdraw as an intervenor in the proceeding.

The OEB accepts Milton Hydro's request to withdraw the proposed standby charges from its 2018 IRM application, and the OEB acknowledges SEC's withdrawal as an intervenor in the proceeding. The OEB will not provide for cost awards in this proceeding as indicated in Procedural Order No. 1 given the funded issue of Milton's proposed standby charges has been withdrawn.

Yours truly,
