Attention: Ms. Kirsten Walli, Board Secretary
Regarding: 2018 Cost of Service Application (EB-2017-0035)

Dear Ms. Walli,

Cooperative Hydro Embrun Inc. (CHEI) is in receipt of the Decision and Order issued on January 25, 2018. In reviewing the tariff sheet, CHEI noticed an error in the Low Voltage rate for the General Service 50> 4999 kW class. In calculating the rate, Cooperative Hydro Embrun Inc. inadvertently calculated the rate on a kWh basis as opposed to a kW basis. CHEI notes that there is no monetary impact of recalculating the rate rider on the Cost of Power calculations nor the Revenue Requirement. The revision is for presentation and consistency purposes only.

Accompanying this letter is a revised Settlement Agreement, Tariff Sheet, Cost of Power calculation and Bill Impact model.

We would be pleased to provide any further information or details that you may require relative to this application.

Yours truly,

Benoit Lamarche, General Manager
