Dear Ms. Thiessen:

**Re: Centre Wellington Hydro Ltd.
Application for Rates
OEB File Number EB-2017-0032**

Today, the OEB has issued a corrected version of its Final Rate Order in the above-noted proceeding. The corrected version dated February 2, 2018 is attached and has been posted to the OEB's website.

The Final Rate Order, originally issued on January 18, 2018, contained three typographical errors, corrected as follows:

- The title page indicated "Janaury 18, 2018" was corrected to "January 18, 2018"
- Page 5 contained a link that was corrected to <https://pes.ontarioenergyboard.ca/eservice/>
- Pages 1-12 of the Tariff of Rates and Charges each indicated "Effective and effective date January 1, 2018" was corrected to "Effective and Implementation Date January 1, 2018"

Pursuant to its powers under Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a

typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers these errors to be typographical. Other than these corrections, the Final Rate Order is not changed in any way.

Yours truly,
