Dear Mir:

**Re: London Hydro Regulated Price Plan Pilot – Request for Change in
Schedule
(Board File No. EB-2016-0201)**

In a January 18, 2018 letter, London Hydro requested approval from the OEB to change the schedule of two of the treatments in its RPP pilot, and delay the start of the price protection period for one month from February 1, 2018 to March 1, 2018. This change was requested due to a delay in the shipment and installation of required outside meters. The original and proposed revisions to the schedule are shown in the tables below.

Table 1: Current Approved Schedule

	Price protection period	Pilot period
Critical Peak Pricing	February 1, 2018 – April 30, 2018	May 1, 2018 - April 30, 2019
Combined	February 1, 2018 – April 30, 2018	May 1, 2018 - April 30, 2019

Table 2: Proposed Revisions to Schedule

	Price protection period	Pilot period
Critical Peak Pricing	March 1, 2018 – April 30, 2018	May 1, 2018 - April 30, 2019
Combined	March 1, 2018 – April 30, 2018	May 1, 2018 - April 30, 2019

The OEB grants this request by London Hydro to change the schedule of the RPP pilot given that the reduced duration of the price protection period enables London Hydro to retain the May 1, 2018 initiation of the price exposure period as planned.

Sincerely,

Original signed by
