Ms. Kirsten Walli

Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: EB-2017-0224 – Enbridge Gas Distribution Inc. (“Enbridge”)
EB-2017-0255 – Union Gas Limited (“Union”)
2018 Cap and Trade Compliance Plans**

I am writing on behalf of Environmental Defence and the Green Energy Coalition in regard to the outline of the evidence we provided on February 14th. In that correspondence we indicated that Mr. Neme could file his report by March 12th. In proposing that, we had assumed that the Board would issue a direction by February 19th. Given the delay in hearing the Board’s response, we wish to alert the Board that the 12th will be a challenge and we would propose that should the Board grant our request, a suitable filing deadline would be 15 working days after the issuance of the direction.

Yours truly,

David Poch
