Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2017-0049 – Hydro One Dx 2018-2022 – Technical Conference Issues

We are counsel to the School Energy Coalition ("SEC"). Pursuant to Procedural Order No. 2, SEC writes to provide notice to Hydro One of the topic areas that it will be asking questions on at the Technical Conference to be held on March 1st and 2nd 2018.

While SEC is still reviewing the interrogatory responses, it expects to have clarifying questions on the responses related to all the major topic areas, specifically the following:

- General issues (Issues 3 and 4)
- Custom IR framework and methodology (Issues 7, 8, 9, 10, 13 and 15)
- Outcomes, incentives, and productivity (Issues 17, 18 and 21)
- PSE benchmarking reports (Issue 10)
- Distribution System Plan and rate base (Issues 23, 24, 25, 28, 29, 33)
- OM&A and compensation costs (Issues 34, 40, 43)
- Cost allocation and integration of acquired utilities (Issues 49 and 56)
- Bill impacts (Issues 52)

Yours very truly,
Shepherd Rubenstein P.C.
