Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Orillia Power Distribution Corporation  
2018 IRM Application – Board File No. EB-2017-0264**

On March 2, 2018, the Board issued its Draft Decision and Order in the above noted proceeding. Orillia Power Distribution Corporation ("Orillia Power") finds no issues with the findings of the Board in the Application. Orillia Power has reviewed the final rate model and the draft Tariff of Rates and Charges attached to the draft Decision as Schedule A. Orillia Power finds the Tariff of Rates and Charges to be complete and accurate but offers one small administrative suggestion: in the 4<sup>th</sup> paragraph under the section "Application" for General Service 50 to 4,999 KW Service Classification (page 3 of 11), the acronym "WMP" should be accompanied by the full phrase, "wholesale market participants" as it appeared in the previous rate tariff sheet effective May 1, 2017.

Respectfully submitted,

Pauline Welsh  
Manager of Regulatory Affairs
