**Re: Policy Consultation on Wireline Pole Attachment Charges  
OEB File Number EB-2015-0304**

Thank you for your recent letter regarding the Ontario Energy Board (OEB) Policy Consultation on Wireline Pole Attachment Charges. On December 18, 2017, the OEB issued a Draft Report of the Board for public comment.

The OEB is currently reviewing all the comments provided by stakeholders including electricity distributors, ratepayer associations, telecommunication and cable carriers, and municipalities, and will issue a Final Report of the Board in due course. Please be assured that your letter, as well as Mr. Carnegie's letter, are being carefully considered.

Yours truly,
