Dear Ms. Walli:

**Re: EB-2017-0049 – Hydro One Networks Inc. – 2018-2022 Rates – Technical Conference Undertakings**

We are representing the Consumers Council of Canada in the above-referenced proceeding. Earlier today Mr. Nettleton, of behalf of Hydro One Networks Inc. ("HON"), wrote a letter to the Ontario Energy Board ("OEB") seeking clarification on the status of any further Technical Conference questions from the Council regarding HON's Panel 3. Please be advised that following a review of the transcript the Council has no further Technical Conference questions for HON. We apologize for any confusion this may have caused for HON.

Yours truly,

*Julie E. Girvan*
