ONTARIO ENERGY BOARD

IN THE MATTER OF the *Municipal Franchises Act*, R.S.O. 1990, c.M.55, as amended;

AND IN THE MATTER OF an Application by Union Gas Limited for an Order approving a Certificate of Public Convenience and Necessity to construct works to supply natural gas in the unincorporated Township of Eby.

APPLICATION (Updated)

1. Union Gas Limited ("Union"), a regulated public utility, is a corporation incorporated under the laws of the Province of Ontario, with its head office at the Municipality of Chatham-Kent, in the Province of Ontario.
2. On August 19, 2016, Union was directed by the Ontario Energy Board to file a report by December 31, 2016 confirming that Union has obtained Certificates of Public Convenience and Necessity covering the geographic areas in which its facilities are located. If during its investigation facilities are found to be located in areas where it does not hold Certificate rights, Union is to advise the Board as to where the infrastructure is located and to provide a plan to rectify the situation.
3. During its investigation of Certificates, Union identified a customer being served within the unincorporated Township of Eby since 1982. There is no record of a Certificate being issued to Union for the unincorporated Township of Eby.
4. Attached hereto and marked as Schedules "A(1)" and "A(2)" are maps showing the location of the unincorporated Township of Eby as well as customer density and metes & bounds description of the area within the unincorporated Township of Eby in which Union has facilities and provides service to an end-use customer. The proposed Certificate area boundary runs 808m x 300m west of Normick Perron and MTO PRS 551142937 Station which is located 132.5m north of Highway 66.
5. Union has a Franchise Agreement (RP-2000-0197 / EB-2000-0434) with and Certificate of Public Convenience and Necessity (FBC 37) for the Town of Kirkland Lake which is the closest municipality to the unincorporated Township of Eby.
6. Union is submitting this application for an Order under Section 8 of the *Municipal Franchises Act* based on the assumption that the doctrine of jurisdiction by necessary implication gives the Ontario Energy Board jurisdiction to issue a Certificate of Public Convenience and Necessity in respect of an unincorporated territory.

7. The address of Union's district office is:

Union Gas Limited
1211 Amber Drive
Thunder Bay, ON P7B 6M4
Attention: Nick Klip, District Manager, Northwest
Telephone: (807) 684-8818
Email: nklip@uniongas.com

8. Union now applies to the Ontario Energy Board for an Order pursuant to Section 8 of the *Municipal Franchises Act* approving a Certificate of Public Convenience and Necessity for the unincorporated Township of Eby.

DATED at the Municipality of Chatham-Kent, in the Province of Ontario this 15th day of March, 2018.
