Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
Union Gas Limited (“Union”)
EB-2017-0306 MAADs Application
EB-2017-0307 Rate Setting Mechanism Application
Interrogatory Responses**

In accordance with the Ontario Energy Board’s (OEB) Procedural Order #3, enclosed please find the interrogatory responses filed by Enbridge and Union in the above noted proceedings.

The responses are titled and filed as “C” Exhibits, and organized using short form descriptors for Board Staff and each Intervenor, for example, Board Staff’s first interrogatory is titled / filed as (Exhibit C.STAFF.1).

Additionally, the questions received from parties have been numbered in order of sequence in which they were included in the list of questions sent by each party. This numbering was used as some lists sent attempted to organize questions by issue, while other lists did not attempt this, and others included duplicate numbering or were missing numbering.

The Application has been filed through the Board’s Regulatory Electronic Submission System and will be available on the Enbridge website at:
www.enbridgegas.com/ratecase.
