Dear Mr. Hesselink:

**Re: Correction to Decision and Rate Order  
Collus PowerStream Corp.  
Application for Rates  
OEB File Number EB-2017-0034**

The Ontario Energy Board (OEB) issued a Decision and Rate Order in the above-noted proceeding on March 22, 2018. On March 29, 2018 Collus PowerStream Corp. informed the OEB, via e-mail, that it noted errors in the Decision. The Decision contained data entry errors in Table 7.2: Group 1 Deferral and Variance Account Balances.

Today, the OEB is reissuing a corrected Decision and Rate Order. Pursuant to Rule 41.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct typographical errors, errors of calculation or similar errors made in its orders or decisions. The OEB considers these typographical errors. The Revised Decision and Rate Order is not otherwise changed in any way.

Yours truly,
