**Re: Section 86 MAAD Application of Entegrus Powerlines Inc. and St. Thomas Energy Inc.
Board File No.: EB-2017-0212**

Dear Ms. Walli,

Entegrus Powerlines Inc. ("EPI") is pleased to notify the OEB that the resolutions of amalgamation of EPI and St. Thomas Energy Inc. ("STEI"), dated April 1, 2018, have now been filed with, and certified by, the Ontario Ministry of Government Services.

Pursuant to the OEB's EB-2017-0212 Decision and Order, EPI therefore requests that the electricity distribution licence of EPI be amended to include the former service area of STEI, as well as the former CDM targets of STEI. Additionally, EPI requests the transfer the STEI's current rate order to EPI. Following these amendments, it is further requested that the STEI electricity distribution licence (ED-2002-0523) be cancelled.

If you have any questions, please do not hesitate to contact us.

Regards,
