Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street, 27<sup>th</sup> Floor  
Toronto, Ontario

Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
Application for the Renewal of the Franchise Agreement in the  
Township of Tay ("Township")**

On January 1, 1994, the township was incorporated by amalgamating the former Village of Port McNicholl, and the Village Victoria Harbour. Enbridge currently holds certificate of public convenience and necessity for both. As the franchise agreement with the Township of Tay is to expire on March 11, 2018, Enbridge wishes to apply to the Ontario Energy Board (the "Board") for an order granting approval of amalgamated Certificate of Public Convenience and Necessity within the Township of Tay as outlined above.

The agreement between the Township and Enbridge is set to expire on March 11, 2018. In addition to the above, we are also seeking an interim order pursuant to Section 10(4) of the *Municipal Franchises Act*.

Enclosed please find two paper copies of the following:

- The aforementioned application;
- Schedule A – A map that accurately delineates the distributor's service area by density within the Township;
- Schedule B – The current Township of Tay by-law number 98-17 and franchise agreement dated March 11, 1998.
- Schedule C - The Certificate of Public Convenience and Necessity for the Village of Port McNicholl dated October 18, 1968 (FBC 70), the Village of Victoria Harbour dated December 23, 1957 (FBC 121), and the Township of Tay dated March 7, 1958 (FBC105).

The Township of Tiny misunderstood our renewal package for another issue and did not put it to Council for Resolution. This item is on the agenda for February 28, 2017, at which time Enbridge will file the application on receipt of the

**ONTARIO ENERGY BOARD**

IN THE MATTER OF the *Municipal Franchises Act*,  
R.S.O. 1990, c. M.55; as amended;

AND IN THE MATTER OF an application by  
Enbridge Gas Distribution Inc. for an order extending  
the term of the right to construct or operate works for  
the distribution of gas, and the right to extend or add  
to the works, in the Township of Tay

AND IN THE MATTER OF an application by  
Enbridge Gas Distribution Inc. for an order canceling  
the existing certificate of public convenience and  
necessity for certain geographic areas now  
incorporated within the Township of Tay and  
replacing with a single certificate of public  
convenience and necessity for the Township of Tay.

**APPLICATION**

1. Enbridge Gas Distribution Inc. (the "Applicant") is an Ontario corporation with its head office in the City of Toronto.
2. The corporation of the Township of Tay ("Corporation") is a municipal Ontario corporation with its head office at 450 Park Street, Victoria Harbour, ON L0K 2A0. The Corporation's Clerk is Ms. Alison Gray. Attached hereto and marked as Schedule "A" is a map that accurately delineates the distributor's service area by density within the Township of Tay ("Municipality"). Enbridge currently serves approximately 3359 billed customers in the Corporation.
3. The Municipality was formed on January 1, 1994 with the amalgamation of the former Villages of Port McNicholl, and Victoria Harbour with the Township of Tay. Enbridge currently holds a certificates of public convenience and necessity all. As the franchise agreement with the Township of Tay is to expire on March 11, 2018, Enbridge wishes to apply to the Ontario Energy Board (the "Board") for an order granting approval of amalgamated Certificate of Public Convenience and Necessity within the Township of Tay as outlined above.
4. The Applicant possesses a franchise agreement permitting it to distribute, store and transmit gas in the parts of the Municipality comprising the geographical areas of:

- i. the Township of Tay (pursuant to By-law No. 98-17 dated March 11, 1998

Attached hereto and marked as Schedule "B" is a copy of the aforementioned By-Law and franchise agreement.

- 5. The Applicant possesses Certificates of Public Convenience and Necessity (the "Certificate") permitting it to distribute, store and transmit gas in the parts of the Municipality comprising the geographical areas of:
  - i. the former Village of Port McNicholl (pursuant to certificate No. FBC 70 dated October 18, 1968);
  - ii. the former Village of Victoria Harbour (pursuant to certificate No. FBC 121 dated December 23, 1957; and,
  - iii. the Township of Tay (pursuant to certificate No. FBC 121 dated March 7, 1958.

Attached hereto and marked as Schedule "C" is a copy of the aforementioned Certificates.

- 6. The Applicant wishes to cancel the existing Certificates and replace them with a certificate of public convenience and necessity for the Township of Tay to construct and to operate works for the distribution of gas in the whole Municipality, as required for present and future public convenience and necessity.
- 7. The Applicant wishes to replace its existing franchise agreement and enter into a municipal franchise agreement with the Municipality, in the form of the Ontario Energy Board ("Board") approved 2000 Model Franchise Agreement, with no amendments. The Township of Tay misunderstood our renewal package for another issue and did not put it to Council for Resolution. This item is on the agenda for February 28, 2018, at which time Enbridge will file the application on receipt of the Resolution.
- 8. The Applicant hereby applies to the Board, pursuant to Section 9 of the *Municipal Franchises Act*, R.S.O. c. M.55, for:
  - i) an Order granting the Applicant the right to distribute, store, and transmit gas in and through the Municipality for such period of time and upon the terms set out in the Agreement, or as may otherwise be prescribed by the Board;
  - ii) an Order directing and declaring that the assent of the municipal electors to the terms and conditions of the franchise agreement is not necessary; and
  - iii) an Order, pursuant to subsection 8(2) of the Act, canceling the Applicant's existing certificate of public convenience and necessity for the former Villages of Port McNicholl, Victoria Harbour and Township of Tay and

replace them with a certificate of public convenience and necessity for the Township of Tay.

- iv) an Order to replace the aforementioned existing franchise agreement and enter into a municipal franchise agreement with the Corporation, in the form of the Ontario Energy Board approved 2000 Model Franchise Agreement, with no amendments for a term of twenty years.
  - v) an Interim Order granting the extension of the term of the right to construct or operate works for the distribution of gas in the Township of Tay and of the right to extend or add to such works as it relates to the Villages of Port McNicholl and Victoria Harbour. More specifically, the Company applies for an Interim Order, pursuant to subsection 10(4) of the Act, for an extension of the right for a period required to permit the Board sufficient time to process the renewal request.
9. The persons affected by this application are the customers and other residents in the Municipality. Because of the number of such persons, it is impractical to set out their names and addresses herein.

By-Law No. 1616 passed by the Council of the Corporation of the Township of Tay on the 22nd day of  
December , 1977.

THE CONSUMERS' GAS COMPANY LTD.

FRANCHISE AGREEMENT

THIS AGREEMENT made this  
BETWEEN:

11<sup>th</sup>

day of

March

, 1998

THE CORPORATION OF THE TOWNSHIP OF TAY

hereinafter called the "Corporation"

- and -

THE CONSUMERS' GAS COMPANY LTD.

hereinafter called the "Gas Company"

WHEREAS the Gas Company desires to distribute and sell gas in the Municipality upon the terms and conditions of this Agreement;

AND WHEREAS by by-law passed by the Council of the Corporation (the "By-law"), the Mayor and the Clerk have been authorized and directed to execute this Agreement on behalf of the Corporation;

THEREFORE the Corporation and the Gas Company agree as follows:

I Definitions

1. In this Agreement:

- (a) "gas" means natural gas, manufactured gas, synthetic natural gas, liquefied petroleum gas or propane-air gas, or a mixture of any of them, but does not include a liquefied petroleum gas that is distributed by means other than a pipeline;
- (b) "gas system" means such mains, plants, pipes, conduits, services, valves, regulators, curb boxes, stations, drips or such other equipment as the Gas Company may require or deem desirable for the supply, transmission and distribution of gas in or through the Municipality;
- (c) "highway" means all common and public highways and shall include any bridge, viaduct or structure forming part of a highway, and any public square, road allowance or walkway and shall include not only the travelled portion of such highway, but also ditches, driveways, sidewalks, and sodded areas forming part of the road allowance now or at any time during the term hereof under the jurisdiction of the Corporation;
- (d) "Municipality" means the territorial limits of the Corporation on the date when this Agreement takes effect, and any territory which may thereafter be brought within the jurisdiction of the Corporation;
- (e) "Engineer/Road Superintendent" means the most senior individual employed by the Corporation with responsibilities for highways within the Municipality or the person designated by such senior employee or such other person as may from time to time be designated by the Council of the Corporation.

## **II Rights Granted**

### **1. To provide gas service.**

The consent of the Corporation is hereby given and granted to the Gas Company to supply gas in the Municipality to the Corporation and to the inhabitants of the Municipality.

### **2. To use road allowances.**

The consent of the Corporation is hereby given and granted to the Gas Company to enter upon all highways now or at any time hereafter under the jurisdiction of the Corporation and to lay, construct, maintain, replace, remove, operate and repair a gas system for the supply, distribution and transmission of gas in and through the Municipality.

### **3. Duration of Agreement and Renewal Procedures.**

The rights hereby given and granted shall be for a term of twenty (20) years\* from the date of final passing of the By-law.

At any time within two years prior to the expiration of this Agreement, either party may give notice to the other that it desires to enter into negotiations for a renewed franchise upon such terms and conditions as may be agreed upon. Until such renewal has been settled, the terms and conditions of this Agreement shall continue, notwithstanding the expiration of this Agreement. Nothing herein stated shall preclude either party from applying to the Ontario Energy Board for a renewal of the Agreement pursuant to section 10 of the Municipal Franchises Act.

## **III Conditions**

### **1. Approval of Construction.**

Before beginning construction of or any extension or change to the gas system (except service laterals which do not interfere with municipal works in the highway), the Gas Company shall file with the Engineer/Road Superintendent a plan, satisfactory to the Engineer/Road Superintendent, drawn to scale and of sufficient detail considering the complexity of the specific location, showing the highways in which it proposes to lay its gas system and the particular parts thereof it proposes to occupy. Geodetic information will not be required except in complex urban intersections in order to facilitate known projects, being projects which are reasonably anticipated by the Engineer/Road Superintendent. The Engineer/Road Superintendent may require sections of the gas system to be laid at a greater depth than required by CAN/CSA- Z184-M92 to facilitate known projects. The location of the work as shown on the said plan must be approved by the Engineer/Road Superintendent before the commencement of the work and the timing, terms and conditions relating to the installation of such works shall be to his satisfaction.

Notwithstanding the provisions of the above noted paragraph, in the event it is proposed to affix a part of the gas system to a bridge, viaduct or structure, the Engineer/Road Superintendent may, if the Engineer/Road Superintendent approves of such location, require special conditions or a separate agreement.

No excavation, opening or work which shall disturb or interfere with the surface of the travelled portion of any highway shall be made or done unless a permit therefor has first been obtained from the Engineer/Road Superintendent and all works shall be done to his satisfaction.

\*The rights given and granted for a first agreement shall be for a term of 20 years. The rights given and granted for any subsequent agreement shall be for a term of not more than 15 years, unless both parties agree to extend the term to a term of 20 years maximum.

The Engineer/Road Superintendent's approval, where required throughout this section, shall not be withheld unreasonably.

2. As Built Drawings.

The Gas Company shall not deviate from the approved location for any part of the gas system unless the prior approval of the Engineer/Road Superintendent to do so is received. After completion of the construction, where plans were initially filed, an "as built" plan of equal quality to the pre-construction plan or certification that the pre-construction plan is "as built" will be filed with the Engineer/Road Superintendent.

3. Emergencies.

In the event of an emergency involving the gas system, the Gas Company will proceed with the work and in any instance where prior approval of the Engineer/Road Superintendent is normally required, shall use its best efforts to immediately notify the Engineer/Road Superintendent of the location and nature of the emergency and the work being done and, if it deems appropriate, notify the police force having jurisdiction.

4. Restoration.

The Gas Company shall well and sufficiently restore, to the reasonable satisfaction of the Engineer/Road Superintendent, all highways, municipal works or improvements which it may excavate or interfere with in the course of laying, constructing, repairing or removing its gas system, and shall make good any settling or subsidence thereafter caused by such excavation or interference. If the Gas Company fails at any time to do any work required by this paragraph within a reasonable period of time, the Corporation may do or cause such work to be done and the Gas Company shall, on demand, pay any reasonable account therefor as certified by the Engineer/Road Superintendent.

5. Indemnification.

The Gas Company shall, at all times, indemnify and save harmless the Corporation from and against all claims, including costs related thereto, for all damages or injuries including death to any person or persons and for damage to any property, arising out of the Gas Company operating, constructing, and maintaining its gas system in the Municipality, or utilizing its gas system for the carriage of gas owned by others. Provided that the Gas Company shall not be required to indemnify or save harmless the Corporation from and against claims, including costs related thereto, which it may incur by reason of damages or injuries including death to any person or persons and for damage to any property, resulting from the negligence or wrongful act of the Corporation, its servants, agents or employees.

6. Alternative Easement.

The Corporation agrees, in the event of the proposed sale or closing of any highway or any part of a highway where there is a gas line in existence, to give the Gas Company reasonable notice of such proposed sale or closing and to provide, if it is feasible, the Gas Company with easements over that part of the highway proposed to be sold or closed sufficient to allow the Gas Company to preserve any part of the gas system in its then existing location. In the event that such easements cannot be provided, the Corporation will share, as provided in clause III, 7 of this Agreement, in the cost of relocating or altering the gas system to facilitate continuity of gas service.

7. Pipeline Relocation.

If in the course of constructing, reconstructing, changing, altering or improving any highway or any municipal works, the Corporation deems that it is necessary to take up, remove or change the location of any part of the gas system, the Gas Company shall, upon notice to do so, remove and/or relocate within a reasonable period of time such part of the gas system to a location approved by the Engineer/Road Superintendent.

Where any part of the gas system relocated in accordance with this section is located on a bridge, viaduct or structure, the Gas Company shall alter or relocate, at its sole expense, such part of the gas system.

Where any part of the gas system relocated in accordance with this section is located other than on a bridge, viaduct or structure, the costs of relocation shall be shared between the Corporation and the Gas Company on the basis of the total relocation costs, excluding the value of any upgrading of the gas system, and deducting any contribution paid to the Gas Company by others in respect to such relocation; and for these purposes, the total relocation costs shall be the aggregate of the following:

- (a) the amount paid to Gas Company employees up to and including field supervisors for the hours worked on the project plus the current cost of fringe benefits for these employees,
- (b) the amount paid for rental equipment while in use on the project and an amount, charged at the unit rate, for Gas Company equipment while in use on the project,
- (c) the amount paid by the Gas Company to contractors for work related to the project,
- (d) the cost to the Gas Company for materials used in connection with the project, and
- (e) a reasonable amount for project engineering and project administrative costs which shall be 22.5% of the aggregate of the amounts determined in items (a), (b), (c) and (d) above.

The total relocation costs as calculated above shall be paid 35% by the Corporation and 65% by the Gas Company.

8. Notice to Drainage Superintendent.

In a case where the gas system may affect a municipal drain, the Gas Company shall file with the Drainage Superintendent, for purposes of the Drainage Act, or other person responsible for the drain, a copy of the plan required to be filed with the Engineer/Road Superintendent.

**IV Procedural And Other Matters**

1. Municipal By-laws of General Application.

This Agreement and the respective rights and obligations hereunto of the parties hereto are hereby declared to be subject to the provisions of all regulating statutes and all municipal by-laws of general application and to all orders and regulations made thereunder from time to time remaining in effect save and except by-laws which impose permit fees and by-laws which have the effect of amending this Agreement.

2. Giving Notice.

Notices may be given by delivery or by mail, and if mailed, by prepaid registered post, to the Gas Company at its head office or to the Clerk of the Corporation at its municipal offices, as the case may be.

## 3. Disposition of Gas System.

During the term of this Agreement, if the Gas Company abandons a part of its gas system affixed to a bridge, viaduct or structure, the Gas Company shall, at its sole expense, remove that part of its gas system affixed to the bridge, viaduct or structure.

If at any time the Gas Company abandons any other part of its gas system, it shall deactivate that part of its gas system in the Municipality. Thereafter, the Gas Company shall have the right, but nothing herein contained shall require it, to remove its gas system. If the Gas Company fails to remove its gas system and the Corporation requires the removal of all or any of the gas system for the purpose of altering or improving a highway or in order to facilitate the construction of utility or other works in any highway, the Corporation may remove and dispose of so much of the deactivated gas system as the Corporation may require for such purposes and neither party shall have recourse against the other for any loss, cost, expense or damage occasioned thereby.

## 4. Agreement Binding Parties.

This Agreement shall extend to, benefit and bind the parties thereto, their successors and assigns, respectively.

IN WITNESS WHEREOF the parties hereto have duly executed these presents with effect from the date first above written.
