Dear Ms. Henderson:

**Re: Hydro One Networks Inc.  
2018-2022 Distribution Rates Application, EB-2017-0049  
Decision on including evidence from the Hydro One Transmission  
proceeding EB-2016-0160 in the EB-2017-0049 Distribution case**

The OEB is in receipt of the letter dated January 18, 2018 from Hydro One, indicating that a Joint Session of Parties in the EB-2017-0049 case, which was held on January 16, 2018, achieved agreement on the non-executive compensation evidence filed in the Hydro One Transmission proceeding (EB-2016-0160) that could be filed in the EB-2017-0049 distribution proceeding.

The OEB notes that a list of exhibits that qualifies to be filed in the distribution proceeding was attached to that letter.

The OEB is in agreement with Hydro One's proposal to incorporate the transmission exhibits listed into the distribution proceeding. The OEB requests that Hydro One file these exhibits as soon as possible.

Yours truly,
