Application for Unit Sub-Metering Licence

The Application

Comsatec Inc. filed an application dated April 2, 2018 with the Ontario Energy Board (OEB) under section 60 of the *Ontario Energy Board Act, 1998*, (OEB Act) for a Unit Sub-Metering licence. The granting of this licence would enable the applicant to provide unit sub-metering services in Ontario.

The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the OEB Act. The OEB does not intend to provide for an award of costs when deciding the application.

A copy can also be seen at the OEB's office and at Comsatec Inc.'s office at the addresses indicated below.

Oral vs. Written Hearings

There are two types of OEB hearings – oral and written. The OEB intends to proceed with this application by way of a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why. Your submission must be received by the OEB and copied to Comsatec Inc. by **May 6, 2018**.

How to Participate

If you wish to participate in the written hearing, you may file a written submission setting out your views on the application. Your submission must be received by the OEB and copied to Comsatec Inc. by **May 10, 2018**.

If the applicant wishes to respond to the submission(s), such response must be filed with the OEB and copied to any party who made a submission by **May 17, 2018**.

All written submissions sent to the OEB will be placed on the public record, which means that the written submissions will be available for viewing at the OEB's offices and will be placed on the OEB's website. If the written submission is from a private citizen then, before placing the written submission on the public record, the OEB will remove any personal (i.e., not business) contact information from the written submission (e.g., the address, phone number, and e-mail address of the individual). However, the name of the individual and the content of the written submission will become part of the public record.
