Dear Mr. Buonaguro:

**Re: Westario Power Inc. (Westario Power)
Application for Rates
Ontario Energy Board File Number: EB-2017-0084**

The OEB is in receipt of Westario Power's request for an extension to the April 19, 2018 deadline for the filing of any settlement proposal in this proceeding. That deadline was established in the OEB's Decision on Interim Rates and Procedural Order No. 1 issued on February 7, 2018.

Westario Power indicated that it is actively working with parties and OEB staff to work toward a settlement proposal, and requested that the OEB extend the deadline for submitting a settlement proposal to April 25, 2018. The OEB approves the requested extension on the basis that Westario Power is working toward the completion and filing of the settlement proposal.

The OEB is cancelling the tentative date of May 3 for the presentation of any settlement proposal, as set out in the Decision on Interim Rates and Procedural Order No. 1. The OEB will determine whether it will require a presentation, and the new date for any such presentation, after reviewing any settlement proposal that may be filed.

Yours truly,

Board Secretary
