DELIVERED BY EMAIL

Dear Ms. Walli,

**RE: Board File No. EB-2017-0129: Draft Report of the Ontario Energy Board:  
Framework for the Assessment of Distributor Gas Supply Plans (the “Draft  
Report”)**

I am writing to you as counsel for the Canadian Biogas Association (the “CBA”). Further to the Board’s letter dated April 12, 2017 the CBA was granted intervenor status and cost eligibility with respect to its participation in the Technical Working Group and with respect to the provision of written comments on the Draft Report. Accordingly, no intervention request or request for cost eligibility on behalf of the CBA is required. However, we wanted to advise the Board that the CBA has retained the services of both myself and a consultant with respect to this proceeding; the contact details for myself and the consultant are as follows:
