Dear Mr. Gunde:

**Re: Ensqr Corp.
Application for a Unit Sub-metering Licence Renewal
OEB File Number EB-2018-0113**

On February 26, 2018, ENSQR Corp. (Ensqr) filed an application with the Ontario Energy Board (OEB) under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for a unit sub-metering licence renewal.

On February 1, 2017, the OEB on its own motion under section 112.2 of the OEB Act issued a Notice of Intention to make an Order under section 112.4 of the OEB Act to revoke electricity unit sub-metering licence ES-2012-0461 issued to Ensqr (EB-2016-0380). On March 16, 2018, the OEB issued Procedural Order No. 5 in the EB-2016-0380, which stated that the OEB will convene a half-day oral hearing on May 14, 2018. This letter is to inform you that your application for a unit sub-metering licence renewal is being held in abeyance until the OEB makes determination in EB-2016-0380.

Any questions relating to this letter or your application should be directed to Irina Kuznetsova, Advisor at 416-440-8138 or Irina.Kuznetsova@oeb.ca. Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your application.

Yours truly,

Original Signed By
