Dear Ms Walli:

**Re: EB-2017-0129 – Draft Report of the Ontario Energy Board: Framework for the Assessment of Distributor Gas Supply Plans**

---

Enbridge Gas Distribution Inc. ("Enbridge") has reviewed the April 27, 2018 letter submitted by Union Gas Limited ("Union") in relation to the Draft Report of the Ontario Energy Board: Framework for the Assessment of Distributor Gas Supply Plans ("Draft Framework"). Enbridge supports Union's request for an extension of the deadline for submissions on the Draft Framework. Like Union, Enbridge is involved in several ongoing proceedings at the Ontario Energy Board (the "Board") including the Cap and Trade 2018 Compliance Plan (EB-2017-0224/0255/0275) and the Enbridge-Union Amalgamation and Rate Setting Applications. Enbridge is committed to working through the Draft Framework and providing the Board with comments and an extension will provide all stakeholders time to more adequately consider the Draft Framework and prepare written comments.

If you have any questions, please contact the undersigned.

Yours truly,
