Dear Ms. Walli:

**Re: Board File No. EB-2018-0028  
Energy+ Inc. – 2019 Cost of Service Application**

Dear Ms Walli:

Energy+ Inc. ("Energy+") is pleased to submit its 2019 Cost of Service Rate Application ("Application"). This Application is being filed pursuant to the Board's e-Filing Services.

On December 7, 2017, the Ontario Energy Board (the "Board") issued a letter to all licensed electricity distributors in which it identified the list of distributors expected to file a Cost of Service Application. In Appendix A of that letter, Energy+ was scheduled for rebasing on May 1, 2019, with a filing date of August 31, 2018.

In a letter dated February 21, 2018, Energy+ advised the Board that it will be requesting a change to its distribution rates effective January 1, 2019, rather than May 1, 2019, and would be filing an Application at the end of April 2018, in accordance with the dates established by the Board.

Two hard copies of the Application, along with a Confidential Filing package, as outlined in the attached letter, are being couriered to the OEB's offices.

Energy+ requests that all correspondence and orders pertaining to this Application be directed to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'SH' or 'S.H.', written in a cursive style.
