**Re: Draft Report of the Ontario Energy Board: Framework for the Assessment  
of Distributor Gas Supply Plans - EB-2017-0129**

On April 12, 2018 the OEB issued the Draft Report of the Ontario Energy Board: Framework for the Assessment of Distributor Gas Supply Plans (Draft Report) for stakeholder comment. In the cover letter attached to the Draft Report the OEB indicated that the deadline for comments was May 11, 2018.

On April 27, 2018 both Union Gas Limited (Union) and Enbridge Gas Distribution (Enbridge) submitted a letter to the OEB requesting that the May 11 deadline be extended to May 25<sup>th</sup>, 2018. In their letters, Union and Enbridge indicated that staff were currently working on a number of major cases (Cap and Trade Compliance Plan, Enbridge Gas Distribution-Union Gas Amalgamation and Rate Setting Applications) at the OEB and required more time to adequately consider and comment on the Draft Report.

After reviewing Union and Enbridge's requests, the OEB has determined that it will extend the deadline for stakeholder comments on the Draft Report to June 1, 2018 at 4:45 pm. All other deadlines included in the April 12, 2018 letter will remain unchanged.

Any questions relating to this letter should be directed to Jason Craig at [Jason.craig@oeb.ca](mailto:Jason.craig@oeb.ca) or at 416-440-8139 The Board's toll-free number is 1-888-632-6273.
