Dear Ms. Walli:

**Re: EB-2017-0319 – Enbridge Gas Distribution Inc. (EGD) Application for Renewal Natural Gas (RNG) Enabling Program and Geothermal Energy Service Program.**

---

On behalf of Industrial Gas Users Association, having reviewed the comprehensive interrogatories previously submitted by OEB Staff, there is nothing further that we feel it necessary to request of EGD at this time. We look forward to reviewing EGD's responses to Staff's (and others') interrogatories.

Yours truly,

Ian A. Mondrow
