Dear Mr. Cleary:

Re: **Request for intervenor status  
Hydro One Networks Inc.'s application for leave to construct  
OEB File Number - EB-2018-0098**

On May 1, 2018, the Ontario Energy Board (OEB) received a letter from Atlantic Power Corporation requesting late intervenor status in the above referenced proceeding. Atlantic Power Corporation noted that as an owner and operator of generation facilities in the area it has a direct interest in the proceeding. Atlantic Power Corporation also noted that it wishes to participate actively in the proceeding and will comply with the schedule in Procedural Order No. 1, dated April 23, 2018.

Hydro One Networks Inc. did not object to the request.

The OEB will accept Atlantic Power Corporation as an intervenor in the proceeding. Atlantic Power Corporation is required to accept the record of the proceeding as it stands. If Atlantic Power Corporation wishes to submit interrogatories, it must do so by May 8, 2018, in keeping with the schedule in Procedural Order No. 1. All parties must serve materials filed with the OEB on Atlantic Power Corporation. An updated list of parties is attached as Schedule A to this letter.

Yours truly,

*Original Signed By*
