Dear Mr. Denomy:

Re: Enbridge Gas Distribution Inc. (Enbridge Gas) Fenelon Falls Project  
Ontario Energy Board File Number EB-2017-0147

The OEB has received your letter dated April 9, 2018 in which you inform the OEB that Enbridge has received an Ontario government grant for construction of the Fenelon Falls Project.

Your letter states that on April 3, 2018, Jeff Leal, Minister of Agriculture, Food and Rural Affairs, announced that the Fenelon Falls Project was one of the projects selected to receive funding to build natural gas infrastructure and expand access to natural gas under the Natural Gas Grant Program. In the OEB's Decision and Order approving the Fenelon Falls Project, the OEB indicated that the leave to construct is conditional on Enbridge receiving the Ontario government grant.

The OEB acknowledges that with the confirmation of the grant receipt in its April 9, 2018 letter, Enbridge has satisfied the condition related to grant funding set out in the OEB's Decision and Order for the Fenelon Falls Project.

Yours truly,

*Original Signed By*
