**RE: EB-2017-0255 – Union Gas Limited 2018 Cap-and-Trade Compliance Plan –
Volume 4 Transcript Correction**

Dear Ms. Walli,

Union Gas Limited (“Union”) has reviewed the EB-2017-0224/0255/0275 Volume 4 transcript, specifically Ms. Seers’ cross-examination of Mr. Chris Neme, and wishes to submit the transcript correction noted below.

Volume	Page	Line(s)	As Stated	Correction
4	80	13 - 19	MS. SEERS: I'm going to suggest to you a different phrasing: "However, when it came to analyzing the cost-effectiveness of efficiency measures using the conservation potential study, the utilities essentially created a different test, but when it came to analyzing the cost-effectiveness of efficiency measures using the marginal abatement cost curve, they did it."	MS. SEERS: I'm going to suggest to you a different phrasing: "However, when it came to analyzing the cost-effectiveness of efficiency measures using the conservation potential study, the utilities essentially created a different test, but when it came to analyzing the cost-effectiveness of efficiency measures using the marginal abatement cost curve, they didn't ."

Yours truly,
