Dear Ms. Walli:

**Re: Southern Bruce Expansion Applications
Correspondence from EPCOR Southern Bruce Gas Inc. on Responses to Cost Claim
Objections from Anwaatin Inc. (“Anwaatin”) and Greenfield Global Inc. (“Greenfield”)
EB-2016-0137 | EB-2016-0138 | EB-2016-0139**

For the above noted proceeding, EPCOR has received replies to cost claim objections from Anwaatin and Greenfield. In the responses of Anwaatin and Greenfield the work for Phase One of the South Bruce Proceeding is determined to be between March 3, 2017 and April 27, 2017. In Procedural Order No. 8 and the Decision on Preliminary Issues dated August 22, 2017, the Board stated that: “This decision will bring Phase 1 of this proceeding to a close.”¹

EPCOR based its cost objections on the understanding that Phase One commenced when the Board solicited proposals from other interested parties in Procedural Order No. 1 dated January 5, 2017 and concluded on August 22, 2017 with the release of Procedural Order No. 8.

Please contact the undersigned if you have any questions in regards to the foregoing.

Sincerely,
