Ms. Kirstin Walli
Board Secretary
Ontario Energy Board

Dear Ms. Walli,

**Re: Alectra Utilities Corporation and Guelph Hydro Electric Systems Inc.
MAAD Application (EB-2018-0014) PWU Request for Late Intervention**

We are retained to act as counsel to Power Workers' Union.

By way of this letter, the Power Workers' Union ("PWU") is requesting late Intervenor status in the Board's proceedings with respect to the above-noted application. The Power Workers' Union were intervenors in the Alectra MAADs case (Board File No.: EB-2016-0025).

This application only very recently came to our attention, and we promptly obtained instructions to request intervention. We appreciate that the application is late, however, we do not believe this intervention will cause any delay to the processing or determination of the application. The PWU will not be seeking to adduce any evidence and will abide by all Board imposed deadlines.

The PWU represents a large portion of the employees working in Ontario's electricity industry (including the employees of the Applicant, Alectra) and has utmost interest in regulatory proceedings that impact the provision of electricity service adequacy, reliability and safety to customers. Attached please find a list of PWU employers.

The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU supports the proposed transaction and is of the view that it is in the interest of all affected ratepayers and is consistent with the Board's objectives.

The PWU has retained Richard Stephenson of Paliare Roland for legal representation and Bayu Kidane and Kim McKenzie of Elenchus Research Associates as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
