Upper Canada Transmission Inc. (NextBridge) and Hydro One Networks Inc. (Hydro One) filed applications with the Ontario Energy Board (OEB) on July 31, 2017 under section 92 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B.

NextBridge's application<sup>1</sup> seeks an order granting leave to construct a new electricity transmission line in northwest Ontario (the Project). Hydro One's related application<sup>2</sup> seeks an order granting leave to construct the facilities necessary to upgrade existing transmission stations associated with the Project. The OEB decided to hear these two applications in one proceeding.

This Procedural Order cancels the oral hearing dates previously scheduled on June 4, June 5, June 7, June 8 and June 11, 2018. The OEB will establish new dates for the oral hearing at a later date.

It is necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.
