Object: Company name change for License EG-2003-0189

As you may be aware, Tembec was acquired by Rayonier Advanced Materials late last year. As a result, certain legacy Tembec entities will be undergoing name changes, effective as of May 31, 2018, as follows:

- **Tembec General Partnership** will be changing to **Rayonier A.M. Canada G.P.**

Please note that these are name changes only, and nothing more. No contract assignments are required in connection with these name changes, as the underlying legal entities will remain the same as before. The purpose of these name changes is to help facilitate the integration of Tembec and Rayonier Advanced Materials from a naming and branding perspective and for administrative uniformity.

Following May 31, we will be transitioning to the use of these new names in all our business documentation, including contracting, invoicing and other correspondence, and respectfully request that you do the same. Please contact myself at 514-871-4898 or by email at serge.laflamme@rayonieram.com with any questions or concerns.

Regards

Serge Laflamme
Energy manager
