To the Board Secretary:

This letter is to advise the OEB of [NorthPoint Energy Solutions Inc.](#)'s request for termination of its OEB licence EW-2016-0154 effective immediately. NorthPoint is no longer transacting in IESO, and has not done so for some time, as such NorthPoint no longer requires the OEB licence. In turn please also cancel invoice 1718EW408 for the annual licence renewal.

Sincerely,
