Dear Mr. Harten:

**Re: Application for Electricity Retailer Licence  
OEB File Number EB-2018-0186**

The OEB has reviewed your application for an electricity retailer licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. Section 9 (c). Retail Market Participation

You answered "NO" to Retail Market Participation question. However in section (a) you stated that any excess electricity will be supplied to the distribution system and settled at the retail level. If "NO" is a correct answer to question 9 (c), please explain how you intend to participate.

2. Section 10. Intended Market Activity

Please file a complete Section 10, i.e. provide answers to questions (b), (c) and (d).

3. Section 11 (b). Description of Current Business Activities

In this section you have listed multiple business activities, but none of them can be described as electricity retailing. Please describe your electricity retailing business activities for which an electricity retailer licence is being sought.

The OEB will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to [boardsec@oeb.ca](mailto:boardsec@oeb.ca).

Please direct any questions relating to these applications to Irina Kuznetsova, Advisor at (416) 440-8138 or e-mail, [Irina.Kuznetsova@oeb.ca](mailto:Irina.Kuznetsova@oeb.ca).

Yours truly,
