ONTARIO ENERGY BOARD NOTICE

**Union Gas Limited has applied for approval of certificates of public convenience and necessity for each of the following unincorporated communities:
Township of Buller and Township of Redvers (Kenora District);
Township of Hanniwell and Township of Pyramid (Thunder Bay District);
Township of Freeborn, Township of McCaul, Township of Ramsay Wright and
unsurveyed District of Rainy River (District of Rainy River).**

Learn more. Have your say.

Union Gas Limited has applied to the Ontario Energy Board for an order granting Union Gas Limited a certificate of public convenience and necessity to construct works to supply natural gas in the unincorporated Township of Buller and Township of Redvers (Kenora District); Township of Hanniwell and Township of Pyramid (Thunder Bay District); Township of Freeborn, Township of McCaul, Township of Ramsay Wright and unsurveyed District of Rainy River (District of Rainy River).

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Union Gas' requests. At the end of this hearing, the OEB will decide whether to grant Union Gas' requests.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY

In order to distribute natural gas in Ontario, a person must comply with the requirements of the *Municipal Franchises Act*. This Act requires that a person that intends to distribute natural gas within a municipality must first receive approval from the OEB, in the form of a certificate of public convenience and necessity. Where the OEB has issued a certificate for an area but there is currently no distribution service, another person can apply for a certificate to serve that area. The OEB also regulates the distribution of natural gas within unincorporated townships and unorganized areas in the same manner.

With respect to the 8 unincorporated communities that are subject of this application, facilities were put in place prior to Union Gas requesting and receiving approval from the OEB in the form of a certificate. This application addresses this situation.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review the application filed by Union Gas on the OEB's website now.
- You can file a letter with your comments, which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply by **July 3, 2018** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB's decision and its reasons on our website.

The OEB does not intend to provide for an award of costs for this hearing.

LEARN MORE

Our file number for this case is **EB-2017-0109**. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case, please enter the file number **EB-2017-0109** on the OEB website: **www.oeb.ca/participate**. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

ORAL VS. WRITTEN HEARINGS

There are two types of OEB hearings – oral and written. The OEB intends to proceed with this application by way of a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why by **July 3, 2018**.

PRIVACY

If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.

This hearing will be held under section 8 of the Municipal Franchises Act, R.S.O. 1990, c.M.55.

ONTARIO ENERGY BOARD

IN THE MATTER OF the *Municipal Franchises Act*, R.S.O. 1990, c.M.55, as amended;

AND IN THE MATTER OF an Application by Union Gas Limited for an Order approving Certificates of Public Convenience and Necessity to construct works to supply natural gas in unincorporated areas.

APPLICATION (Updated)

1. Union Gas Limited ("Union"), a regulated public utility, is a corporation incorporated under the laws of the Province of Ontario, with its head office at the Municipality of Chatham-Kent, in the Province of Ontario.
2. On August 19, 2016, Union was directed by the Ontario Energy Board to file a report by December 31, 2016 confirming that Union has obtained Certificates of Public Convenience and Necessity covering the geographic areas in which its facilities are located. If during its investigation facilities are found to be located in areas where it does not hold Certificate rights, Union is to advise the Board as to where the infrastructure is located and to provide a plan to rectify the situation.
3. During its investigations of Certificates, Union originally identified 9 unincorporated / unorganized areas in the Northern service area where Union has infrastructure in place that is not providing service directly to end users. During research on the metes and bounds descriptions for the unincorporated areas that were part of the original EB-2017-0109 application, Union determined that the former Langton Township had been amalgamated with other townships to form the current Township of Machin (for which Union holds Certificate EBC 118). As a result, the former Langton Township is no longer part of the EB-2017-0109 application.
4. There is no record of a Certificate being issued to Union for the following 8 areas:
 - i. **Buller Township** is an unincorporated community in the Kenora District. Union has a Franchise Agreement (RP-2004-0199 / EB-2004-0402) with and Certificate of Public Convenience and Necessity (RP-2004-0199 / EB-2004-0401) for the City of Kenora which is the closest municipality to the unincorporated Buller Township. The proposed Certificate area boundary within Buller Township covers an area 10520m x 300m running from GPS Coordinates (49.9900557, -93.340360) to GPS Coordinates (50.064236, -93.262700).
 - ii. The **Township of Freeborn** is an unincorporated community within the District of Rainy River. Union has a Franchise Agreement (RP-2000-0027) with and Certificate of Public Convenience and Necessity (EBC 88) for the Town of Rainy River which is the closest municipality to the unincorporated Township of Freeborn. The proposed Certificate area boundary for the Township of Freeborn covers an area 11256m x 300m running from GPS Coordinates (48.773583, -91.621237) to GPS Coordinates (48.829609, -91.622618).

- iii. The **Township of Hanniwell** is an unincorporated community within the Thunder Bay District. Union has a Franchise Agreement (RP-2000-0006 / EB-2000-0018) with and Certificate of Public Convenience and Necessity (RP-2000-0006 / EB-2002-0374) for the City of Thunder Bay which is the closest municipality to the unincorporated Township of Hanniwell. The proposed Certificate area boundary for the Township of Hanniwell covers an area 5943m x 300m running from GPS Coordinates (49.071407, -90.961842) to GPS Coordinates (49.108549, -90.905127).
- iv. The **Township of McCaul** is an unincorporated community within the District of Rainy River. Union has a Franchise Agreement (RP-2000-0027) with and Certificate of Public Convenience and Necessity (EBC 88) for the Town of Rainy River which is the closest municipality to the unincorporated Township of McCaul. The proposed Certificate area boundary for the Township of McCaul covers an area 10456m x 300m running from GPS Coordinates (48.805059, -91.489635) to GPS Coordinates (48.783237, -91.359576).
- v. **Pyramid Township** is an unincorporated community in the Thunder Bay District. Union has a Franchise Agreement (RP-2000-0006 / EB-2000-0018) with and Certificate of Public Convenience and Necessity (RP-2000-0006 / EB-2002-0374) for the City of Thunder Bay which is the closest municipality to the unincorporated Pyramid Township. The proposed Certificate area boundary for Pyramid Township covers an area 7429m x 300m running from GPS Coordinates (49.108549, -90.905127) to GPS Coordinates (49.160541, -90.842625).
- vi. The **Unsurveyed District of Rainy River** is an unincorporated area in the District of Rainy River comprising all communities in the district which are not part of incorporated municipalities. Union has a Franchise Agreement (RP-2000-0027) with and Certificate of Public Convenience and Necessity (EBC 88) for the Town of Rainy River which is the closest municipality to the unincorporated / unsurveyed District of Rainy River. The proposed Certificate area boundary for the Unsurveyed District of Rainy River covers an area 25300m x 300m running from GPS Coordinates (48.856329, -91.227896) to GPS Coordinates (49.020196, -91.030029).

- viii. **Redvers Township** is an unincorporated community in the Kenora District. Union has a Franchise Agreement (RP-2004-0199 / EB-2004-0402) with and Certificate of Public Convenience and Necessity (RP-2004-0199 / EB-2004-0401) for the City of Kenora which is the closest municipality to the unincorporated Redvers Township. The proposed Certificate area boundary for Redvers Township covers an area 2290m x 300m running from GPS Coordinates (49.972308, -93.347055) to GPS Coordinates (49.990557, -93.340360).

5. Attached hereto and marked as Schedules "A(i)", "A(ii)", "A(iii)" and "A(iv)" are maps showing the location of these unincorporated areas as well as customer density and metes & bounds descriptions of the boundaries within these unincorporated areas in which Union has facilities.
6. Union is submitting this application for an Order under Section 8 of the *Municipal Franchises Act* based on the assumption that the doctrine of jurisdiction by necessary implication gives the Ontario Energy Board jurisdiction to issue a Certificate of Public Convenience and Necessity in respect of an unincorporated territory.
7. The address of Union's district office is:

Union Gas Limited
1211 Amber Drive
Thunder Bay, ON P7B 6M4
Attention: Nick Klip, District Manager, Northwest

8. Union now applies to the Ontario Energy Board for an Order pursuant to Section 8 of the *Municipal Franchises Act* for Certificates of Public Convenience and Necessity for these unincorporated areas.

DATED at the Municipality of Chatham-Kent, in the Province of Ontario this 15th day of March, 2018.
