RE: Energy+ 2018 Cost of Service (EB-2018-0028)- Intervenor Status Request

Dear Ms. Walli,

Brantford Power Inc. ("BPI") is writing to request intervenor status for the above-referenced case. In its application, Energy+ has proposed a new embedded distributor rate class specific to BPI, which will impact BPI and its customers. BPI therefore requests intervenor status with the intention to participate in all aspects of this proceeding, including the settlement conference, should there be one.

BPI understands that it is not eligible to seek cost awards.

BPI requests that electronic copies of any further materials in this case be sent to the following BPI representatives:

Brian D'Amboise, CPA, CA,
Chief Financial Officer and Vice President Corporate Services
Brantford Power Inc.
Box 308, Brantford, Ontario N3T 5N8
Phone 519-751-3522 ext. 5133
