Dear Ms. Walli:

**Re: Town of Seguin  
Franchise Agreement  
OEB File No. EB-2018-0184**

On May 28, 2018, Union Gas submitted the above noted application seeking the Ontario Energy Board's approval of a Franchise Agreement with the Township of Seguin.

Shortly after receiving the application, OEB Staff questioned the municipal boundaries on the customer density map provided in the application, mostly around the Kingshott Lake area. Upon further investigation, Union has corrected the customer density map to better reflect the boundaries of the Township of Seguin.

Attached is a revised customer density map for the Township of Seguin to replace the map contained in the original application at Schedule "A".

Should you have any questions, please do not hesitate to contact me. I look forward to receipt of your instructions.

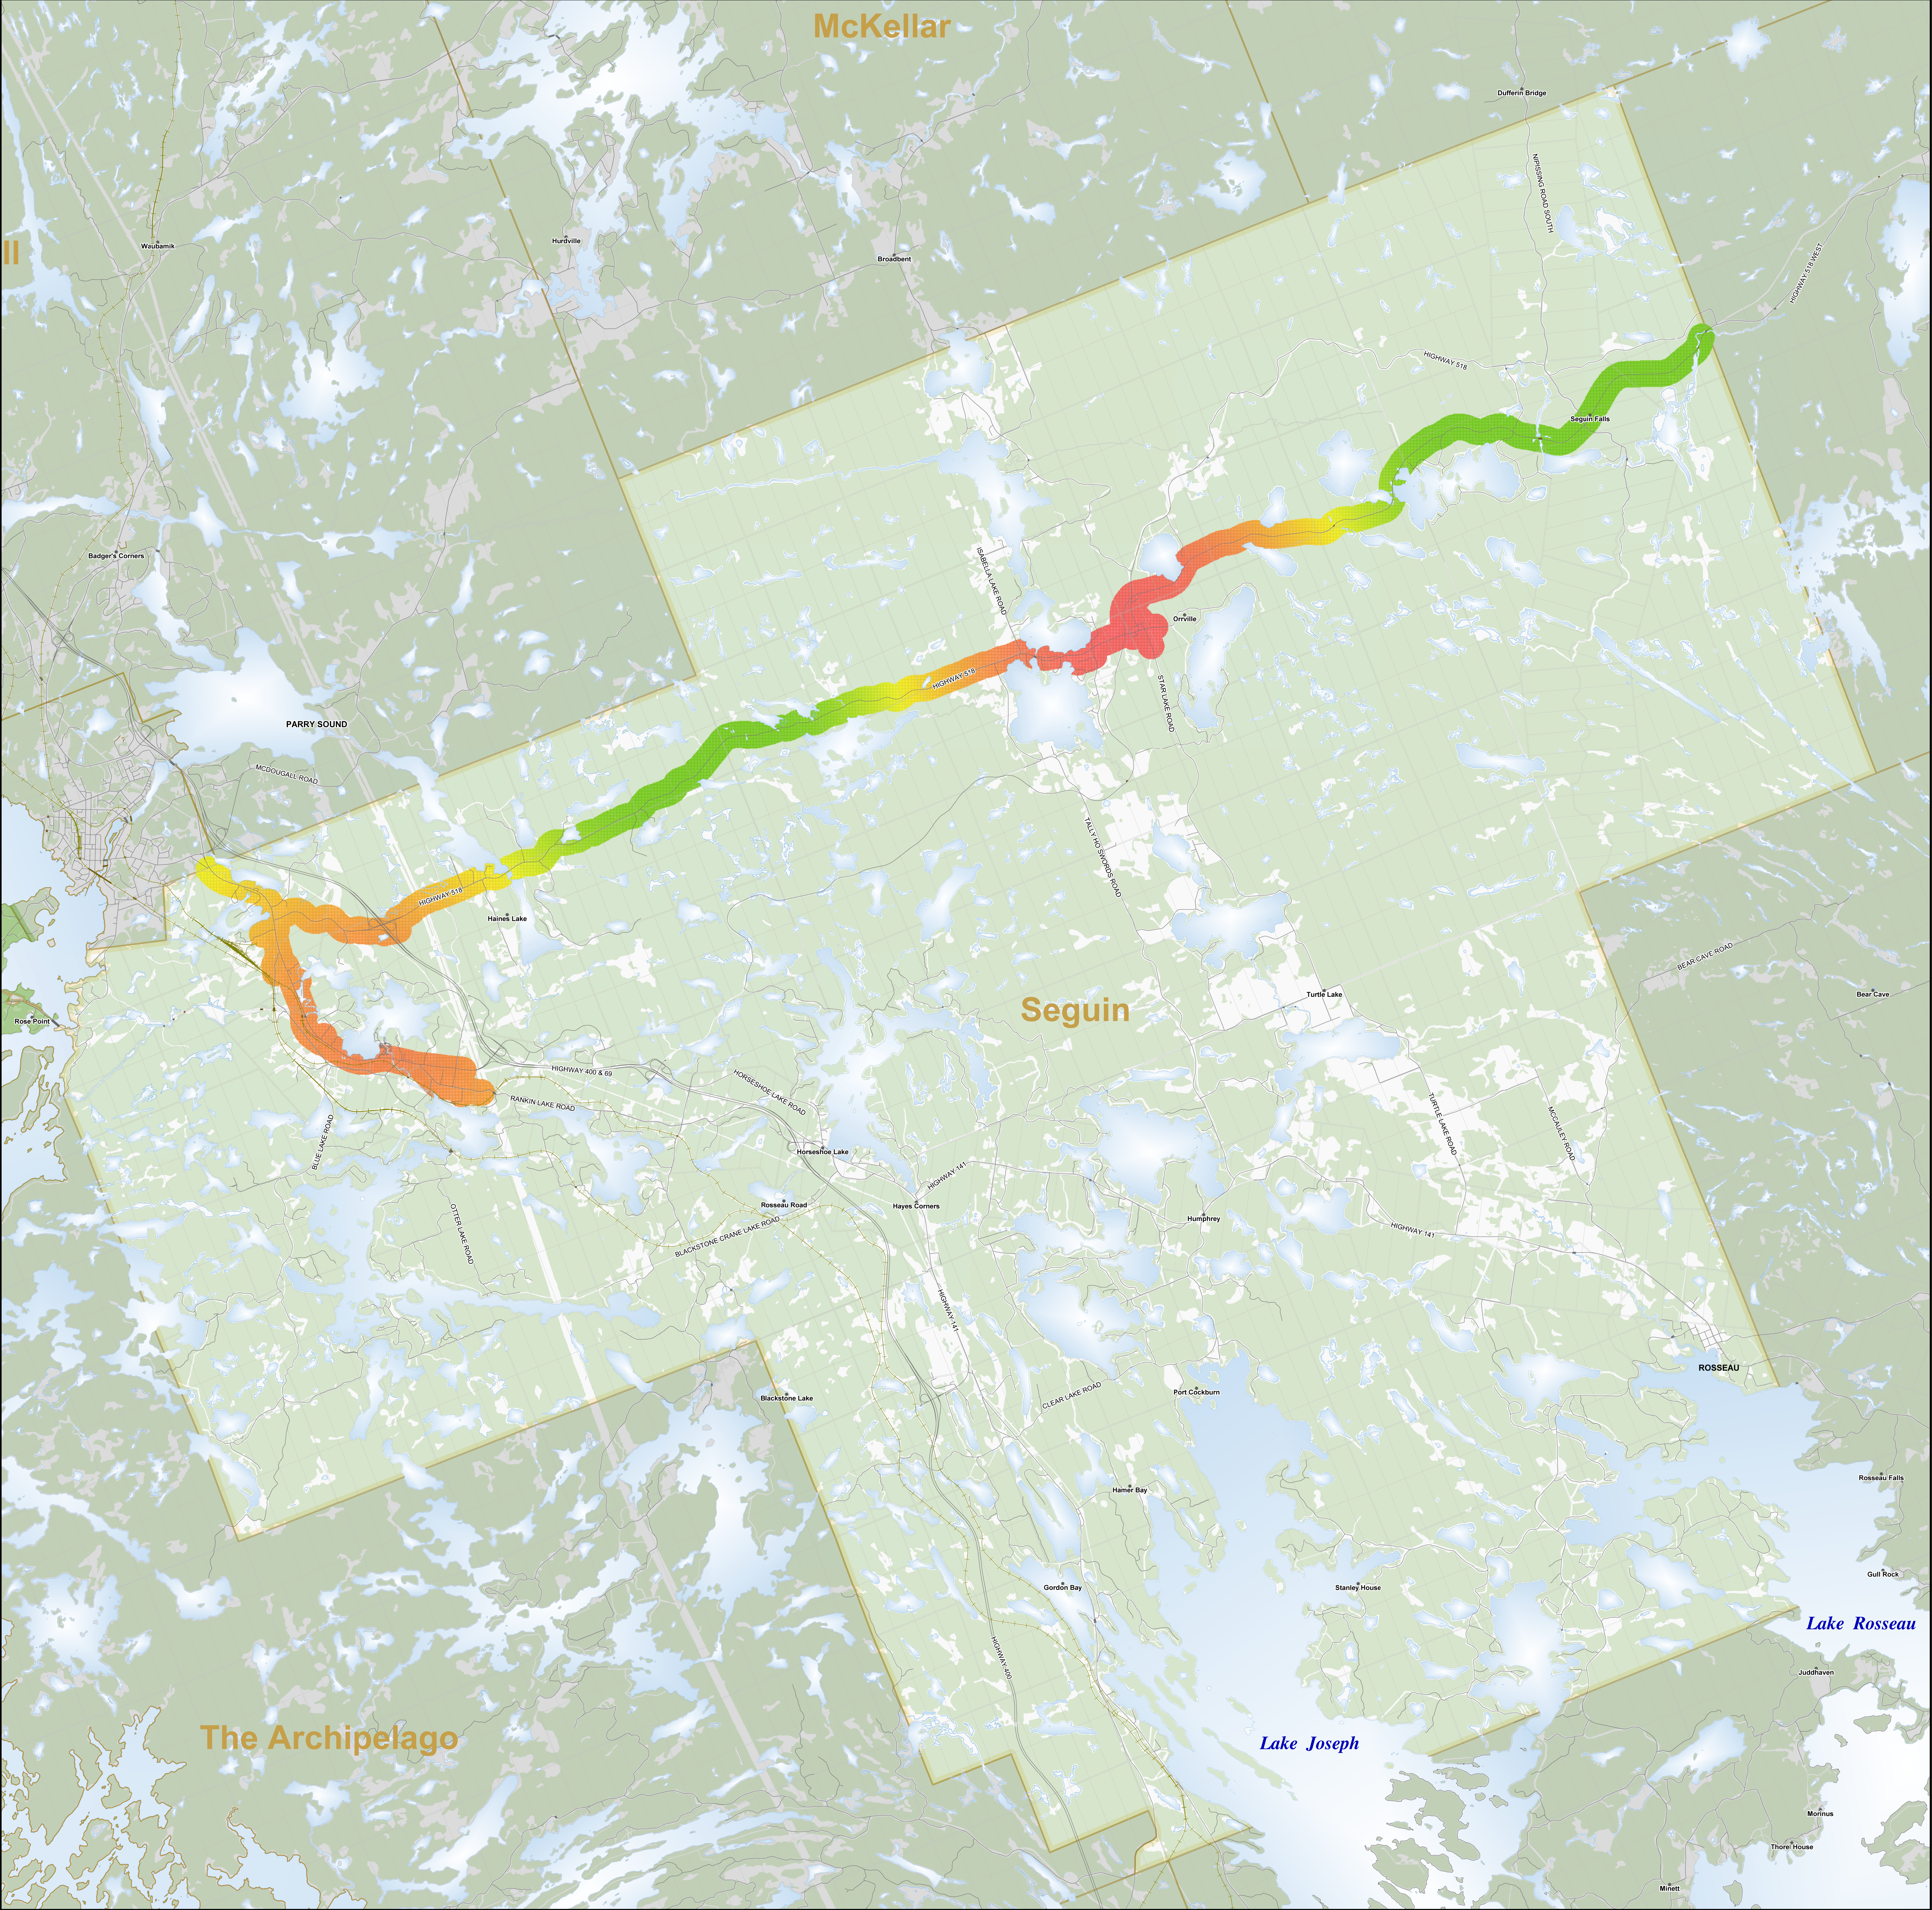

Yours truly,
