Dear Ms. Walli:

**Re: EB-2017-0319
Enbridge Gas Distribution Inc. (Enbridge) application for approval of the cost
consequences of the proposed Renewable Natural Gas Enabling Program (the
Proceeding)**

We are counsel to Anwaatin Inc. (**Anwaatin**) in the Proceeding.

This letter responds to Procedural Order No. 3 and Ms. Zhang's email correspondence of June 19, 2018, requesting parties' time estimates and areas of interest for the June 27, 2018, Technical Conference in this Proceeding. Anwaatin anticipates that it will require 20-30 minutes for questions focused on Indigenous rights, title, and consultation relating to the proposed Enbridge RNG Enabling Program and related commercial arrangements. Anwaatin expects its questions to focus primarily on the following exhibits:

- Exhibit B, Tab 1, Schedule 1, p. 4, #11-12
- Exhibit I.1.EGDI.Anwaatin.7

Further, Anwaatin confirms that, in accordance with Ms. Zhang's request, Anwaatin convened a well-attended conference call among intervenors in attempt to facilitate coordination and comply with the request.

Yours very truly,
