## **Independent Electricity System Operator**

### **Application for Approval of 2018 Expenditures, Revenue Requirement and Fees**

#### **PROCEDURAL ORDER NO. 1**

**June 26, 2018**

The Independent Electricity System Operator (IESO) filed an application with the Ontario Energy Board (OEB) on April 30, 2018 under subsection 25(1) of the *Electricity Act, 1998*, seeking approval for the IESO's 2018 expenditures, revenue requirement and fees.

A Notice of Hearing was issued on June 4, 2018. The following parties applied for intervenor status:

- Association of Major Power Consumers in Ontario (AMPCO)
- Building Owners and Managers Association (BOMA)
- Canadian Manufacturers & Exporters (CME)
- Energy Probe Research Foundation (Energy Probe)
- Environmental Defence\*
- HQ Energy Marketing Inc. (HQ)
- Ontario Power Generation (OPG)\*
- Ontario Sustainable Energy Association (OSEA)
- Power Workers' Union (PWU)
- School Energy Coalition (SEC)
- Society of United Professionals (SUP)
- Vulnerable Energy Consumers Coalition (VECC)

\*Late intervention request

Each of AMPCO, BOMA, CME, Energy Probe, Environmental Defence, OSEA, SEC and VECC also applied for cost award eligibility. No objections were received from the IESO regarding the requests for intervenor status or cost eligibility.

Intervenor status is hereby granted to each of the parties that requested such status. Each of AMPCO, BOMA, CME, Energy Probe, Environmental Defence, OSEA, SEC and VECC are eligible to apply for an award of costs under the OEB's *Practice Direction of Cost Awards*. A list of intervenors is attached as Schedule A to this Procedural Order.

Cost eligible intervenors should be aware that the OEB will not generally allow the recovery of costs for the attendance of more than one representative of any party, unless a compelling reason is provided when cost claims are filed. The OEB also expects that intervenors will combine their interventions with those of similarly interested parties, will co-operate with all other parties to the extent possible and will be mindful to avoid duplication.

### **Issues List**

Attached as Schedule B to this Procedural Order is a draft issues list prepared by the IESO. Parties will have an opportunity to review the draft issues list and provide any comments or additions to this list. The IESO will have an opportunity to respond to any comments or additions received to the draft issues list. The OEB will determine the final issues list and only those issues on the approved issues list will be considered during the review.

### **Interrogatories**

Parties should consult Rules 26 and 27 of the OEB's *Rules of Practice and Procedure* regarding required naming and numbering conventions and other matters related to interrogatories.

It is necessary to make provision for the following matters related to this proceeding.

The OEB may re-schedule the Settlement Conference to allow for the filing of evidence.
6. A Settlement Conference among the parties and OEB staff will be convened on **September 12, 2018** starting at 9:00 a.m., at 2300 Yonge Street, 25th floor, Toronto. If necessary, the Settlement Conference will continue on **September 13, 2018**.
7. Any settlement proposal arising from the Settlement Conference shall be filed with the OEB on or before **September 27, 2018**. In addition to outlining the terms of any settlement, the settlement proposal should contain a list of any unsettled issues, indicating with reasons whether the parties believe those issues should be dealt with by way of oral or written hearing.

8. Any submission from OEB staff on a settlement proposal shall be filed with the OEB and served on all parties within **7 days** from when a settlement proposal is filed.
9. If there is no settlement proposal arising from the Settlement Conference, the IESO shall file a statement to that effect with the OEB by **September 18, 2018**. In that event, parties shall file and serve on the other parties by **September 25, 2018** any submissions on which issues could be heard in writing, and for which issues the OEB should hold an oral hearing.
