Dear Ms. Walli:

Re: EB-2018-0168 Enbridge Gas Distribution Inc. - QRAM Application

With this letter Enbridge Gas Distribution Inc. ("Enbridge") is following up on its EB-2018-0168 July 1, 2018 QRAM application, which Enbridge filed with the Ontario Energy Board (the "Board") on June 11, 2018.

In its application Enbridge requested the Board to issue an order approving the proposed rate adjustments on or before June 21, 2018. Enbridge would then be able to implement the resultant July 1, 2018 QRAM rates during Enbridge's first billing cycle in July 2018. Enbridge notes that the Board has not yet issued the rate order as of June 26, 2018.

Enbridge would like to advise the Board that if the rate order cannot be issued by June 27, 2018, then Enbridge will be unable to implement the resultant rates into billing for July 1, 2018. Consequently, the rates established in the EB-2018-0090 April 1, 2018 QRAM proceeding shall remain in place at the Board-approved level until October 1, 2018 QRAM application. The disposition Purchased Gas Variance Account ("PGVA") balances shall also be deferred to October 1, 2018 QRAM application.

Yours truly,

(Original Signed)
