Dear Mr. Fisher:

Re: Board File No. EB-2003-0041/EB-2003-0039

The Board has received the attached correspondence from Scott McLean, counsel for Granite Power. The correspondence requests that we return to his client materials that were filed by you as part of an application made by Canadian Niagara Power Inc.

Although our copy of the correspondence does not indicate that you or your clients were copied with this request, I assume you are aware of it. Please indicate, by way of a letter to me, if you have any objection to the Board complying with the request made by Mr. McLean.

Yours truly,

Paul B. Pudge
Board Secretary
