Dear Ms. Walli:

EB-2018-0224

**Re: Electricity Wholesaler Licence Renewal (EW-2011-0300)**

Please find enclosed an application for renewal of an Electricity Wholesaler Licence ("Licence") submitted by Oxy Vinyls Canada Co. ("Oxy"), pursuant to section 57 of the *Ontario Energy Board Act, 1998*.

A recent review of Oxy's records revealed that Oxy's Electricity Wholesaler Licence (EW-2011-0300) expired October 23, 2016. The failure to secure a renewal of the Licence was an unintentional oversight due to a change in personnel. Once Oxy discovered the oversight, Oxy took immediate steps to renew the License. Oxy has updated its internal procedures in order to ensure that this does not occur in the future.

It is important to note that Oxy does not produce electricity for sale in the IESO wholesale market, nor does it purchase electricity for resale in the IESO market. Oxy is an industrial end user, connected to the IESO grid at transmission voltage. Oxy purchases electricity and ancillary services for its facility in Ontario directly through the IESO-administered market, and is not otherwise an active market participant.

It is also important to note that since October 23, 2016, Oxy has continued to operate in accordance with all OEB regulatory requirements and the IESO Market Rules, and will continue to do so during the processing of this renewal application.

Enclosed with our formal Licence application is a cheque in the amount of \$200 for the application fee. In addition, we will (with your direction) remit payment of registration fees for 2017 and 2018.

Please feel free to contact me at [brenda\\_harris@oxy.com](mailto:brenda_harris@oxy.com) or at 713-215-7656 regarding any aspect of this application for renewal.
