Re: Independent Electricity System Operator (IESO) Application for Approval of 2018 Expenditures, Revenue Requirement, and Fees – Extension of Deadlines for Interrogatories

Procedural Order 1 (PO1), issued June 26, 2018, established the procedural schedule for this proceeding. Amongst other items, PO1 made provision for the filing of submissions on the issues list and for interrogatories.

As a decision on the issues list is pending, the OEB will extend the deadlines for parties to submit interrogatories (originally July 27, 2018) and for the IESO to respond to those interrogatories (originally August 17, 2018) to dates to be determined once the final issues list is approved.

Questions related to the above matters should be directed to the Case Manager, Michael Lesychyn at Michael.Lesychyn@oeb.ca.

Yours truly,
