Dear Ms. Walli:

Re: EB-2018-0028 – Energy + Inc. 2019 Distribution Rates

We are representing the Consumers Council of Canada (Council) in the above-referenced proceeding. In Procedural No. 1, dated July 26, 2018, the Ontario Energy Board (OEB) made a provision for parties to file submissions regarding the requests for confidentiality made by Energy + Inc. regarding certain documents included in its pre-filed evidence. The list of documents was set out in letters dated April 30, 2018 and July 16, 2018. The Council has reviewed the submissions made by the Vulnerable Energy Consumers Coalition (VECC) regarding Energy + Inc.'s requests for confidentiality. The Council supports the submissions made by VECC asking the OEB to reject the requests for confidentiality.

Yours truly,

Julie E. Girvan
