## Decision and Order

Golden Horseshoe Metering Systems Inc. filed an application on June 6, 2018 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for a unit sub-metering licence renewal. The licence would allow the applicant to continue providing unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to Golden Horseshoe Metering Systems Inc.

Golden Horseshoe is reminded that as a licensed unit sub-meter provider it is obligated to comply with all legal and regulatory obligations, including the OEB's reporting requirements, and have the policies, processes and procedures in place to ensure such compliance.

### IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
