Dear Ms. Walli:

**Re: Energy+ Inc. ("Energy+")
2019 Cost of Service Application;
Confidentiality Issues - Board File No.: EB-2018-0028**

We are writing on behalf of Toyota Motor Manufacturing Canada Inc. ("TMMC") and in accordance with Procedural Order No. 1 ("PO #1") to reply to the submissions of intervenors who oppose Energy+'s request that confidential treatment be afforded certain information included in the documents that are listed as on page 3 of PO #1.

Each of documents (a), (c-g) and (l) pertains to TMMC. TMMC supports Energy+'s request for confidential treatment of the redacted information in documents (a), (c), (d), (e) and (l). The redacted information in these five documents includes competitive information, including consumption and other load-related information, that is specific to TMMC and which, if disclosed, could adversely affect the economic and/or competitive interests of TMMC.

Finally, TMMC does not object to the disclosure of the information that is redacted in the documents listed as documents (f) and (g) on page 3 of PO #1, namely, a letter from TMMC to Energy+ dated April 19, 2018 and a letter from Energy+ to TMMC, dated April 23, 2018.

Yours very truly,

Dentons Canada LLP
