Dear Ms. Walli:

**Re: Independent Electricity System Operator (“IESO”)
2018 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No.: EB-2018-0143**

In their submission on the IESO’s draft issues list, AMPCO noted that the following standard financial reporting forms included in the IESO’s application and evidence, in exhibit B-3-1, differed from the format provided in the OEB-approved settlement proposal in EB-2017-0150:

Exhibit B-3-1, Attachment 2 - Appendix 2-JB (OM&A cost drivers)
Exhibit B-3-1, Attachment 4 – Appendix 2-K (employee costs)

The IESO has revised the above forms and attached the following exhibits to update the evidence in this proceeding:

Exhibit B-3-1, Attachment 2 - Appendix 2-JB (OM&A cost drivers)
Exhibit B-3-1, Attachment 4 – Appendix 2-K (employee costs)

These exhibits have been filed today through the OEB’s electronic filing system.

Yours truly,

Tam Wagner
Senior Manager, Regulatory Affairs
