Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
EB-2018-0207 Application for the Renewal of the Franchise Agreement  
and Certificate of Public Convenience and Necessity for the  
City of Port Colborne – Application**

On June 13, 2018, Enbridge filed an application with the Ontario Energy Board (the "Board") for an order approving the renewal of the Franchise Agreement with the City of Port Colborne (Port Colborne). Enbridge also applied for an order canceling the existing Certificates of Public Convenience and Necessity ("Certificate") and replacing these with a single Certificate for Port Colborne.

Enbridge would like to clarify that it is seeking to cancel the existing Certificates (E.B.C 58 and E.B.C 58A) as it relates to the Town of Port Colborne only and to issue a single Certificate for the City of Port Colborne.

If you require any further information, please do not hesitate to contact me.

Sincerely,

(Original Signed)
