Dear Ms. Walli:

**Re: EB-2018-0013 – Union Gas Limited (“Union”) - Kingsville Transmission
Reinforcement Project –Comments by the City of Kitchener (“Kitchener”)**

Further to the procedure order 3 issued by the Board dated July 17th 2018, Kitchener appreciates the Board for granting it the intervenor status.

Kitchener has reviewed the application and understands that Board has deferred the decision on rate impact due to this project. Kitchener has concerns on the cost allocation proposed for this project and will raise the concerns during the process determined by the Board.

Kitchener takes no position on the Leave to Construct.

If there are any questions, please contact me.

Sincerely,

Greg St. Louis
Director, Utilities
