Attention: Kirsten Walli,  
Board Secretary

Dear Ms. Walli:

**Re: EB-2017-0127/0128 – DSM Mid-Term Review**

---

BOMA is writing to support the submission made by Mr. Elson's August 21, 2018 letter on behalf of Environmental Defence, and the Green Energy Coalition. Mr. Elson outlined the advantages of providing more time for presentations for stakeholders, by adding a second day to the hearing. On the current agenda, only 45 minutes has been allocated for all stakeholder presentations, whereas the two gas utilities are given four hours for presentation and discussion of their proposals. Given the interest and expertise of several stakeholders in DSM matters, they should have more time to present their views and take questions from the utilities and other stakeholders.

Yours truly,

**FOGLER, RUBINOFF LLP**
