**Re: Lakeland Power Distribution Ltd. 2019 Cost of Service Application,
EB-2018-0050**

Dear Ms. K. Walli:

Lakeland Power Distribution Ltd.(LPDL) is scheduled to file a Cost of Service Rate Application for 2019 Electricity Distribution Rates and remains committed to submitting a complete application that conforms to the most recent filing requirements issued by the Board.

As of today's date, LPDL is not yet in a position to file its 2019 Cost of Service Application. LPDL has encountered a number of delays in preparing a thorough application including the changes to Chapter 5 filing requirements.

In order to prepare a thorough application LPDL sincerely regrets that we will not be able to meet the August 31, 2018 filing deadline. LPDL will continue to work diligently to submit the application on or before September 28, 2018.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Margaret Maw".
