**VIA RESS AND COURIER**

Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
P.O. Box 2319, 27th Floor  
2300 Yonge Street  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2017-0335 Anwaatin Motion to Review and Vary the Decision in EB-2016-0160  
Revised Cost Claim**

Please find attached the revised cost claim of Anwaatin Inc. (**Anwaatin**) for the above-referenced proceeding (the **Proceeding**), filed at the request of the Board to correct certain deficiencies. This cost claim was originally filed on August 30, 2018, pursuant to the Board's Decision and Order dated August 23, 2018.

Anwaatin respectfully requests an award of 100% of its eligible costs. Anwaatin submits that this request is supported by the following considerations:

- (i) Anwaatin adduced evidence in EB-2016-0160 concerning poor electricity system reliability and disparate reliability impacts in Indigenous communities and was subsequently forced to bring the motion initiating this Proceeding to ensure that the Board expressly addressed this evidence;
- (ii) Anwaatin participated effectively in all aspects of the Proceeding, taking a leadership role to assist the Board in complying with its mandate to protect the interests of consumers with respect to prices and the adequacy, reliability and quality of electricity service;
- (iii) Anwaatin undertook settlement discussions in a manner that efficiently and effectively worked toward full and final resolution of the issues and was guided by the Board's *Practice Direction on Settlement Conferences*, as amended; and

- (iv) Anwaatin helped to lay the foundation for a first-of-its-kind pilot project aimed at improving extremely disparate and inadequate Hydro One Networks Inc. system reliability in Indigenous communities in Northern Ontario.

We trust that these considerations highlight both efficiency and the right of otherwise unrepresented and important Indigenous communities to be heard in a manner that is consistent with the Board's mandate and statutory objectives. Anwaatin respectfully requests a full award of eligible costs.

Yours very truly,

## **Larry Sault**

Larry Sault brings over 25 years of dynamic leadership of working with First Nations in Canada, Native American Tribes in the United States, Arctic Inuit, Maori of New Zealand and Aborigine of Australia. He has held key positions in political leadership, private sector corporations and non-profit organizations.

In 1985 Larry was appointed to a committee whose mandate was to negotiate and establish a drug and alcohol treatment center within his community of the Mississaugas of New Credit. Successful negotiations saw him elected to his First Nation Council in 1987.

In 1993, Larry was elected Chief. Throughout his four year tenure, together with his council colleagues, he accomplished numerous community development projects, including negotiating and settling a \$13 million land claim, construction of a new Elementary school, water and sewer, industrial building and commercial plaza, negotiated and situated the first fully automated CIBC branch bank and ATM on reserve. He worked closely with his administration to enhance programs and services conducive to their community needs. Simultaneously, he was appointed by the Federal Government and the Assembly of First Nations to Chairman of National Task Force on Access to Capital for First Nations.

In 1998 Larry received an appointment to Vice President, CESO Aboriginal Services with oversight of seven regional offices, budgets, staff and a mandate of assisting First Nations across Canada in developmental stages of economic growth and governance within their community.

In June of 1999 at the request of First Nation leaders in Southwestern Ontario, he put his name forward and was elected Grand Chief of the Association of Iroquois and Allied Indians. This position would find him intimately involved Chiefs of Ontario, Grand Council Treaty 3, Union of Ontario Indians, NAN, the Independent First Nations and the National Assembly of First Nations.

By 2002 he was recruited and appointed as Senior Vice President, Native American Division of First American Capital Management in Southern California

where his role included Investment Advisory Services to Native American Gaming Industry.

After moving back to his home on the Mississaugas of New Credit First Nation in 2013 he was elected back onto Council until December of 2015 during which time he consumed much of his time on wealth creation and economic and business development.

Today, Larry Sault is President and CEO of Anwaatin Inc., an Indigenous business focused on territorial climate action, Indigenous community and business readiness for emerging Cap and Trade markets, strengthening biodiversity and resilience in the face of climate change, partnerships to create Indigenous carbon offsets to sell competitively on Cap and Trade markets, and low-carbon Indigenous energy generation and energy efficiency projects.

He is co-author of the book, “The Lie that Bind’s” and co-founder of a non-profit organization dedicated to healing the wounds of sexual abuse and domestic violence.
